Private Training Sessions (PTS)

- *1-on-1 or Groups of 2 to 5 kids*

PTS (Private Training Session) is a 1-on-1 lesson driven class. These are designed to work on a Ninja's technique and to assess what skills require more attention than others. These are 45-minute-long class with an instructor. Another instructor will be present along with one parent/guardian of the child. A Ninja is only allowed to choose one skill they would like to focus on in their comprehensive training session each week. There will be a monthly overview on how the Ninja has improved across the board and showing all the progressions.

- **1-on-1:**
 - \$60 / session
 - \$200 / month (1 session / week)
 - (technically only paying \$50/session) (about 20% off)
- **Group rate:**
 - Session rates:
 - 2 kids = \$55 / session / child
 - 3 kids = \$50
 - 4 kids = \$45
 - Full month rates (4 sessions):
 - 2 kids = \$180 / month / child
 - 3 kids = \$170
 - 4 kids = \$160
 - 5 kids = \$150

Course Class

- *Normal tuition rate*

Parents who sign up their ninja understand there are fewer restrictions than regular classes. These classes will still follow all State and CDC guidelines. Our "normal" Station Classes currently are run with an ABUNDANCE of safety precautions, which involves disinfecting equipment between each child. This is not required by the CDC. Course classes will not have any cleaning/disinfecting during the class, however kids will be required to use hand sanitizer before each course/station. The gym will be completely disinfected before and after these classes. They will be allowed to be on the same obstacles as their fellow classmates but will still be asked to respect the social distancing and CDC guidelines in the lobby. It is an hour-long class.
