

## Private Training Session (PTS)

*1-on-1, or Groups of 2 to 4 ninjas*

Private Training Sessions are a 1-on-1 lesson driven class. These are made to solely work on a Ninja's technique and to assess what skills may need more work than others. It is a 45 minute long class where an instructor will be in the gym at all times with the child. Another instructor will be present in the lobby along with one parent/guardian of the child. A Ninja is only allowed 1 Level Up a week, meaning the ninja and their instructor will work together to choose what skill they would like to work on in their training session that week. There will be a skill chart available on a weekly basis to show on how the Ninja has improved across the board and showing all the progressions.
